To whom it may concern:

We'd like to let you know that we have used MJM Manufacturing, Inc. as one of our key supplier for our precision sheet metal and machine parts for over eighteen years. Their work has always been very good and they have conducted themselves very professionally. They have supplied great services for all those years.

They have completed all of their commitments as was required by our purchase orders, and they have completed all of our projects in a timely manner.

MJM has proven over the years as a good quality shop, and they have produced our parts in a timely fashion throughout our years of association with them. We look forward on this continuous relationship, as we consider them an supplier partner.

If anything else is needed, please don't hesitate to call me personally.

Cordially,

Purchasing Manager
