

# MJM MANUFACTURING, INC.

Single-source precision sheet metal fabrication and OEM manufacturing for aerospace, defense, and high-reliability industrial programs. Every core process in-house under one AS9100 certified quality system — prototype through production.

CAGE 0Y LX1 | AS9100 | ISO 9001 | ITAR REGISTERED | DFARS | AWS D17.1 | DBE / MBE | SBA SMALL BUSINESS

## CORE COMPETENCIES

|                                   |                        |                                       |                               |
|-----------------------------------|------------------------|---------------------------------------|-------------------------------|
| Precision Laser Cutting (±0.005") | CNC Turret Punching    | Press Brake Forming (to 240T / 14 ft) | Fiber Laser & TIG/MIG Welding |
| CNC Machining                     | PEM Hardware Insertion | Assembly & Finishing                  | FAI / CMM Inspection          |

## COMPANY DATA

|               |                                                  |
|---------------|--------------------------------------------------|
| Legal Name    | MJM Manufacturing, Inc.                          |
| Address       | 5205 NW 161 Street<br>Miami Lakes, FL 33014, USA |
| CAGE Code     | 0Y LX1                                           |
| UEI (SAM.gov) | HS8LGRMH9SR8                                     |
| SAM.gov       | Active & Registered                              |
| Founded       | 1979                                             |
| Facility      | 44,000 sq ft · 80+ employees                     |
| Business Size | Small Business · Hispanic-Owned                  |

## NAICS CODES

- 332322 — Sheet Metal Work Manufacturing
- 332312 — Fabricated Structural Metal Mfg
- 332710 — Machine Shops
- 336413 — Other Aircraft Parts & Equipment
- 332999 — All Other Fabricated Metal Product

Verify against your SAM.gov registration.

## DIFFERENTIATORS

- True single-source: 40+ machines, all processes in-house
- AS9100 + ITAR + AWS D17.1 (Lockheed approved)
- 5 Amada lasers · 9 IPG fiber laser welders
- 47 years · 90,000+ projects delivered
- 24–48 hour quote turnaround

## CERTIFICATIONS & REGISTRATIONS (17 TOTAL)

AS9100 (aerospace QMS) · ISO 9001 · ITAR Registered (DDTC) · DFARS Compliant · AWS D17.1 (aerospace, Lockheed Martin approved) · AWS D1.1 / D1.2 / D9.1M · Lloyd's Register LR 33932 · MIL-I-45208A · DBE · NMSDC MBE · SBA Small Business · Dun & Bradstreet registered. Current certificates available on request.

## IN-HOUSE EQUIPMENT

**Cutting:** Amada Ventis 3015AJ (4kW), 3× Ensis 3015AJ (3kW), LC 2415 CO2, AE 2610NT turret punch. **Forming:** 9 Amada brakes (240T/14ft), 3 Knuth rollers. **Welding:** 9 IPG fiber laser, 3 Sciaky spot, certified TIG/MIG. **Machining:** Mazak BCN 530C, 95T press, tapping. **Inspection:** Fabri-Vision, Keyence CMM.

## MATERIALS

Aluminum, stainless (304/316), cold & hot rolled steel, galvanized, galvalume, copper, brass, titanium, beryllium copper, plus non-metallics (Lexan, G-10, Delrin, phenolics). Steel to 1"; stainless & aluminum to 5/8".

## INDUSTRIES

Aerospace, Defense, Robotics, Data Centers, Medical Device, Transportation, Marine, Telecom, Energy, Lighting, Kiosk, Architectural, OEM.

## PAST PERFORMANCE & REPRESENTATIVE CUSTOMERS

**Federal past performance** includes subcontract work supporting Lockheed Martin on U.S. Navy / NAVAIR (Naval Air Warfare Center) programs. **Commercial & defense customers:** Boeing · Lockheed Martin · Northrop Grumman · BAE Systems · L3Harris · Honeywell · Bell Textron · Beckman Coulter · IBM · Motorola · Cubic · Miami-Dade Transit
